### Inventory for FOIA Request 1998-0002-F

## Records on America 2000 Education Initiative

#### **Extent**

375 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, February 1998. Previously restricted materials are added as they are released.

#### **Scope and Content**

The materials in FOIA 1998-0002-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 1998-0002-F contains materials on President George Bush's America 2000 Education initiative, school choice initiatives, school funding debates, forced busing, and the National Education Goals. The FOIA collection contains correspondence from constituents concerning school choice, forced busing and

comments on the America 2000 initiative. Most of this material can be found in the Alphabetical and Subject Files. Additional materials include memoranda, correspondence, invitations, schedules, fact sheets, videotapes, press releases, reports, congressional testimony, news clippings, letters, and publications concerning the formulation and implementation of the America 2000 initiative, funding for America 2000, and the formulation and implementation of the National Education Strategy. Most of this material will be found in the Staff Office Files. Other related materials include implementation of America 2000 on the state level and America 2000 kick-off events including detailed discussions of Presidential participation. The collection also contains information on state events related to America 2000 and implementation of the National Education Goals.

**System of Arrangement**

Records that are responsive to this FOIA request were found in four collection areas—Bush Presidential Records: WHORM Alphabetical Files; Bush Presidential Records: WHORM Subject Files; Bush Presidential Records: Staff and Office Files; and Bush Vice Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open.

Please note that a double asterisk "\*\*" indicates files or documents that were incidentally processed as part of this FOIA request.

The following is a list of documents and folders processed in response to FOIA 1998-0002-F.
