Scope and Content

The materials in FOIA 1998-0042-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 1998-0042-F contains material regarding former Speaker of the United States House of Representatives Jim Wright, a Democrat from Texas. The FOIA Collection contains routine thank you letters to the speaker from Vice President Bush and later President Bush, as well routine courtesy letters

notifying the speaker of the President's intention to travel to Texas. Also included are photocopies of news articles relating to the resignation of Speaker Wright. Additional materials include copies of form letters accompanying reports forwarded to the speaker and the president of the Senate as required by statute. Materials in response to this FOIA request were primarily located in the White House Office of Records Management Subject File. Additional materials were identified in the files of Nicholas Calio from the White House Office of Legislative Affairs. The materials date from 1982 to 1992.

System of Arrangement

Records that are responsive to this FOIA request were found in three collection areas—Bush Presidential Records: WHORM Subject Files; Bush Presidential Records: Staff and Office Files; and Bush Vice Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open. A "***" indicates files or documents that were incidentally processed as part of this FOIA request.
