### Inventory for FOIA Request 1998-0048-F

## Records on Linda R. Tripp Former Executive Assistant to the Deputy Chief of Staff

#### **Extent**

3 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, February 1998. Previously restricted materials are added as they are released.

#### **Scope and Content**

The materials in FOIA 1998-0048-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 1998-0048-F contains materials in the George Bush Presidential Library relating to Linda R. Tripp, former Executive Assistant to the Deputy Chief of Staff. Two documents were found which mention Ms.

Tripp. Please note that the background investigation file is closed in its entirety. There is one photograph in which she appears as well.

### **System of Arrangement**

Records that are responsive to this FOIA request were found in seven collection areas—Bush Presidential Records: WHORM Subject Files and Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open. A "\*\*\*" indicates files or documents that were incidentally processed as part of this FOIA request.

The following is a list of documents and folders processed in response to FOIA 1998-0048-F.
