Inventory for FOIA Request 1998-0102-F

Records on Bosnia and the Former Yugoslavia

Extent

512 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, February 1999. Previously restricted materials are added as they are released.

Scope and Content

The materials in FOIA 1998-0102-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 1998-0102-F contains materials relating to Bosnia and the former Yugoslavia. Although the original FOIA request referred only to Bosnia and Presidential decision-making, the materials listed here relate not only to Bosnia but to the other republics of the former Yugoslavia as well. This will allow the researcher to develop a more comprehensive picture since many of the records deal with more than one republic or more than one issue at a time. In addition, considerations of the entire region affected American policy. Broadly stated, the records responsive to this request deal with issues of recognition, humanitarian relief, military intervention, and international negotiations. Please note that a large number of the records processed for this request have been closed in accordance with the Presidential Records Act (PRA) due to security classifications and the nature of advice documented. These consist primarily of cables (usually printed out from an electronic messages system) and memoranda. Please note that the closed material is quite relevant and may prove a valuable resource in the future once restrictions of the PRA and national security have expired. Most of the NSC materials were located in the files of Major Jane Holl who seems to have been the Administration's point person in dealing with Bosnia and the former Yugoslavia.

Although many NSC folders are listed, the only types of materials that remain open are press releases, press summaries, news items, and letters from Congress. The press releases originated with such organizations as the White House Press Office, the UN, and Americares (a charitable organization). Many of the press summaries were faxed to the White House by the Republic of Serbia's Ministry of Information. Many of the news items are AP or Reuter pieces. Letters from members of Congress generally urge action of one kind or another in the Balkans and often include supporting material such as newspaper articles or reports. Most responses to Congress are form letters created by the Administration. A useful map of the region can be found in Heather Wilson's file titled Yugoslavia.

Please also note that some of the document descriptions on the withdrawal sheets in this FOIA request may seem extremely broad; this is due to the highly classified nature of many documents.

The following abbreviation list may be of help when using the materials in this FOIA.

EC	European Community
IRC	International Rescue Committee
ICRC	International Red Cross
NATO	North Atlantic Treaty Organization
UNGA	United Nations General Assembly
UNHCR	United Nations High Commissioner for Refugees
UNPROFOR	United Nations Protection Force
UNSC	United Nations Security Council
UNSYG	United Nations Secretary General
WEU	Western European Union

System of Arrangement

Records that are responsive to this FOIA request were found in two collection areas—Bush Presidential Records: WHORM Subject Files and Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open. A** indicates files or documents that were incidentally processed as part of this FOIA request.

The following is a list of documents and folders processed in response to FOIA 1998-0102-F.
