Staff Archivists, March 1998. Previously restricted materials are added as they are released.

Scope and Content

The materials in FOIA 1998-0189-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 1998-0189-F contains This FOIA request consists of material related to Lawrence Walsh, the

independent counsel appointed to investigate the Iran-Contra affair. This includes correspondence, reports, memoranda, and published articles from the Office of the Independent Counsel, Congress, the White House, and the public.

The incidentally processed material relates to independent counsels other than Mr. Walsh, including Alexia Morrison, Joseph DiGenova, and Judge Lacey's investigation of the Banca Nazionale del Lavoro. In addition, this material also includes Bush administration policy on the 1992 reauthorization of the Independent Counsel Act.

System of Arrangement

Records that are responsive to this FOIA request were found in three collection areas—WHORM Subject Files; Bush Presidential Records: Staff and Office Files; and Quayle Vice Presidential Records: Staff. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open. Please note that a "***" indicates files or documents that were incidentally processed as part of this FOIA request.

The following is a list of documents and folders processed in response to FOIA 1998-0189-F.
