Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright
Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Official records of George Bush’s presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By
Staff Archivists, May 1999. Previously restricted materials are added as they are released.

Scope and Content
The materials in FOIA 1999-0130-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 1999-0130-F contains materials related to Clayton Yeutter. Prior to his appointment as Counselor to the President for Domestic Policy in 1992, Yeutter served as Secretary of Agriculture and Chairman of the Republican Party. From 1985 to 1988 he served as United States Trade Representative in the Reagan
Administration. Much of the material responsive to this FOIA consists of memoranda and correspondence dealing with a variety of topics including a proposed diesel fuel tax, ethanol, wetlands preservation, interstate banking, and international trade issues.

**System of Arrangement**

Records that are responsive to this FOIA request were found in five collection areas—Bush Presidential Records: WHORM Alphabetical Files; Bush Presidential Records: WHORM Subject Files; Bush Presidential Records: Staff and Office Files; Bush Vice Presidential Records: Staff and Office Files; and Quayle Vice Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at [http://bushlibrary.tamu.edu/research/find/whorm/whorm.html](http://bushlibrary.tamu.edu/research/find/whorm/whorm.html).

Please note that a single asterisk "*" indicates that the category is entirely processed and open.
