Related Collections

Related materials may be found in FOIA request 2000-0116-F entitled, "Records on Selected China Files" and FOIA request 2000-0950-F entitled, "Records on Selected China Files:Tiannanmen Square."

Scope and Content

The materials in FOIA 2000-0952-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2000-0952-F contains a letter from a Hong Kong businessman expressing his opinion about Kissinger's trip and the State Department response.

White House Office of Records Management (WHORM) Subject File category CO034 concerns China, and contains the correspondence between the State Department and a Hong Kong businessman.

System of Arrangement

Records that are responsive to this FOIA request were found in one collection area—Bush Presidential Records: WHORM Subject Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level; whereas, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

The following is a list of documents and folders processed in response to FOIA 2000-0952-F.
