FOIA 2001-0434-F contains materials related to the September 1989 visit to the United States of President Virgilio Barco Vargas of Colombia, including a meeting with President Bush on September 28, 1989. Documents include public and Congressional correspondence, public schedules, list of attendees, press releases, public statements, new clippings, and declassified cover memos and transmittal letters.

The Staff and Office Files contain correspondence, memoranda, and publications maintained by individual staff members and offices.

Records that are responsive to this FOIA request were found in the files of the National Security Council (NSC). Although these files are listed, it should be noted that most of these documents are security classified and have been closed under the restrictions of the Presidential Records Act and the Freedom of Information Act.
