Scope and Content

The materials in FOIA 2001-1451-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2001-1451-F contains documents concerning Florentino "Tino" Duran. Mr. Duran served as the president of the National Association of Hispanic Publications and the editor of the Spanish-language newspapers *El Informado Hispano* (Fort Worth, Texas) and *La Prensa* (San Antonio, Texas). These materials include routine correspondence from Mr. Duran to President Bush, and responses from federal agencies and the White House.

System of Arrangement

Records that are responsive to this FOIA request were found in one collection area—Bush Presidential Records: WHORM Subject Files. As policy WHORM Subject Files are processed at the document level.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.
