#### Related Collections

Related material may be found in FOIA request 2001-1930-F entitled "Records on Shoshana S. Cardin letter, September 1991."

#### Scope and Content

The materials in FOIA 2001-1931-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2001-1931-F contains materials on correspondence from and to Shoshana S. Cardin, who served as Chairman of the Conference of Presidents of Major American Jewish Organizations, Chairman of the National Conference on Soviet Jewry, and President of the Council of Jewish Federations. The FOIA collection contains constituent correspondence advocating U.S. support of Israel with regard to peace in the Middle East, the 1991 airlift of Ethiopian Jews, loan guarantees, and diplomatic relations between South Korea and Israel. There is also correspondence regarding U.S. policy toward the former Soviet Union and a visit by Cardin to the White House in 1989. Also included is correspondence regarding the General Assembly of the Council of Jewish Federations, to which Vice President Bush was invited to speak in 1985 and at which he did speak in 1986.

### **System of Arrangement**

Records that are responsive to this FOIA request were found in four collection areas—Bush Presidential Records: WHORM Alphabetical Files; Bush Presidential Records: WHORM Subject Files; Bush Vice Presidential Records: Name Files; Bush Vice Presidential Records: Subject Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open.

The following is a list of documents and folders processed in response to FOIA 2001-1931-F.
