Scope and Content

The materials in FOIA 2003-0369-F are a selective, not necessarily all inclusive, body of documents

responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2003-0369-F contains materials from the White House Advance Office, the First Lady Scheduling Office, the Office of Public Events and Initiatives, and the National Security Council.

The Staff and Office Files contain correspondence, memoranda, and publications maintained by individual staff members and offices. The White House Advance Files contain memoranda among Advance Office staff members, schedules, and scenarios regarding President Bush's meeting with the United Kingdom Prime Minister Margaret Thatcher in Bermuda on April 13, 1990. The White House Correspondence Office contains form letters sent to various people thanking them for their participation during the presidential visit to Bermuda. The National Security Council Files contain memoranda and schedules regarding President Bush's meetings with Prime Minister Thatcher in Bermuda.

System of Arrangement

Records that are responsive to this FOIA request were found in one collection area—Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level; whereas, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The following is a list of documents and folders processed in response to FOIA 2003-0369-F.
