Related Collections

Related material may be found in FOIA requests 1999-0186-F entitled "Panama/Operation Just Cause", 2004-0723-F entitled "U.S.-Panama Relations (Bush VP)" and 2004-0724-F entitled "U.S.-Panama (Quayle VP)."

Scope and Content

The materials in FOIA 2004-0722-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2004-0722-F contains materials related to U.S.-Panama relations in the days leading up to, during, and following the U.S. invasion of Panama (Operation Just Cause), including political/ economic sanctions levied against Panama by the United States following Manuel Noriega's usurpation of power, Panama Canal Zone operations, the status of the Panama Canal Treaties, efforts by the U.S. to assist Panama recovery politically and economically following the invasion, and anti-narcotics trafficking materials (including information related to the indictment and capture of Noriega).

(A significant majority of the records in this request have been closed due to national security restrictions. These records will be added to the request when they are released.)

The WHORM Subject File categories contain head of state correspondence and related memoranda and diplomatic credentials presented to the President by foreign ambassadors to the United States as well as numerous photocopies of newspaper articles following events in Panama in the months leading up to the U.S. invasion.

The Staff and Office Files contain routine memoranda and correspondence, diplomatic credentials, cables, speeches, press statements/ releases, trip logistics, foreign travel requests/ authorizations, routine discussion papers and materials related to the U.S. Election Observer Mission to 1989 Panamanian elections; court documents (indictments, testimony, motions, etc.) related to the indictment of Manuel Noriega on narcotics trafficking charges; planning materials for presidential meetings with Panamanian governmental leaders (Presidents Endara and Delvalle, etc.); discussion papers and memoranda regarding proposed legislation related to Panama/ Panama Canal/ anti-narcotics policy in Central America; Statements of Administration Policy regarding proposed legislation related to U.S.-Panama relations and anti-narcotics trafficking efforts; situation reports, battle planning/ assessments, and congressional report(s) on civilian casualties and losses from Operation Just Cause; newspaper articles; presidential remarks concerning the political situation in Panama, the Noriega indictments, and recovery efforts following Operation Just Cause; reports, cables, and memoranda related to efforts by the Organization of American States (OAS) to seek a peaceful resolution to the political unrest in Panama and the removal of Noriega; routine congressional testimony by Executive Office and Panama Canal Commission (PCC) officials related to the status of the Panama Canal Treaties and status of the Panama Canal Zone; and schedules related to U.S. government official travel to Panama and Central America.

System of Arrangement

Records that are responsive to this FOIA request were found in two collection areas—Bush Presidential Records: WHORM Subject Files and Bush Presidential Records: Staff and Office Files. As policy, WHORM Subject files are processed at the document level, whereas, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.

The following is a list of documents and folders processed in response to FOIA 2004-0722-F.
