Inventory for FOIA Request 2004-0831-F

Bush Presidential Records on The Hashemite Kingdom of Jordan and King Hussein

Extent

370 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, August–October 2009. Previously restricted materials are added as they are released.

Related Collections

Related material may be found in FOIA request 2004-0869-F entitled "Bush Vice Presidential Records on The Hashemite Kingdom of Jordan and King Hussein" and FOIA request 2004-0870-F entitled "Quayle Vice Presidential Records on The Hashemite Kingdom of Jordan and King Hussein."

Scope and Content

The materials in FOIA 2004-0831-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

The WHORM Subject File categories contain correspondence; memoranda; news clippings; and letters from the general public, Congress, and the Bush administration. WHORM Subject File CO079 concerns the Hashemite Kingdom of Jordan and contains correspondence from the Bush administration to King Hussein.

The Staff and Office Files contain correspondence, memoranda, and publications maintained by individual staff members and offices. The National Security Council Files contain files from Nancy Bearg Dyke, Richard Haass, Edmund Hull, Walter H. Kansteiner, Virginia Lampley, Thomas E. (Ted) McNamara, Bruce O. Riedel, Nicholas Rostow and C. David Welch. The NSC Numbered Files contain memoranda and reports relating to Jordan and King Hussein. A majority of the NSC Files are closed under the (b)(1) statute concerning national security.

System of Arrangement

Records that are responsive to this FOIA request were found in two collection areas—Bush Presidential Records: WHORM Subject Files; and Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.

The following is a list of documents and folders processed in response to FOIA 2004-0831-F.
