### Inventory for FOIA Request 2004-0869-F

## Records on Jordan [Bush Vice Presidential]

#### **Extent**

96 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, April 2010. Previously restricted materials are added as they are released.

#### **Related Collections**

Related material may be found in FOIA request 2004-0831-F entitled "Jordan and King Hussein [Bush Presidential]" and 2004-0870-F entitled "Jordan" [Quayle Vice Presidential].

#### **Scope and Content**

The materials in FOIA 2004-0869-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2004-0869-F contains materials from agencies and individuals concerning the country of Jordan. Much of the material deals with trips either taken by the Vice President and Mrs. Bush to Jordan or by King Hussein and Queen Noor to the United States. The WHORM documents contain a variety of correspondence on a number of topics ranging from the birth of the King and Queen's son to thank you notes to the Royal Couple for their hospitality. The majority of the staff and office files for this request deal with planning the Vice President and Mrs. Bush trip to Jordan in 1986. There are also a number of files with information on the planning of meetings and events that involved the Vice President and either King Hussein or Crown Prince Hassan while they were in the United States.

### **System of Arrangement**

Records that are responsive to this FOIA request were found in seven collection areas—Bush Vice Presidential Records: WHORM Subject Files and Bush Vice Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open.

The following is a list of documents and folders processed in response to FOIA 2004-0869-F.
