### Inventory for FOIA Request 2004-1701-F

## Selected Quayle Vice Presidential Records on Indonesia

#### **Extent**

21 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, February 2009. Previously restricted materials are added as they are released.

#### **System of Arrangement**

Records that are responsive to this FOIA request were found in one collection area—Quayle Vice Presidential Records: Staff and Office Files. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

## Scope and Content

The materials in FOIA 2004-1701-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2004-1701-F contains records from the Office of the Vice President's National Security Affairs Office relating to Vice President Quayle's 1991 trip to Japan, Singapore, Indonesia, and the Philippines; the Vice President and Mrs. Quayle's visit to India to attend Rajiv Gandhi's funeral; and meetings with Indonesian officials.

The Staff and Office Files consist of correspondence, press statements and guidance, memoranda, photographs, and administrative forms. Correspondence includes messages expressing congratulations and/or condolences between Indonesian officials and Vice President Quayle, as well as letters from constituents expressing views on such matters as doing business in Indonesia, Japanese trade barriers, and human rights in Indonesia, specifically the situation in East Timor. In addition, the Vice President sent letters thanking Indonesian officials for gifts. Also, there is correspondence regarding the Pacific Economic Cooperation Conference in Singapore.

The Japanese segment of the trip is highlighted by photographs of Vice President Quayle and Prime Minister Kaifu. Moreover, various memoranda and fact sheets concern issues involved with business opportunities in Japan.

Additionally, there are cables containing administrative details of the trip, local press reaction to the visit, and transcripts of the Vice President's public statements. Furthermore, there is prepared text of public statements to be given by Vice President Quayle, and questions-and-answers prepared for the Vice President's press availabilities. The collection is rounded out by routine transmittal memoranda, cover sheets, and "Vice President's Register" forms acknowledging gifts from Indonesian officials.

The following is a list of documents and folders processed in response to FOIA 2004-1701-F.
