Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Scope and Content

The materials in FOIA 2004-1818-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2004-1818-F contains letters, lists, and schedules. The letters are correspondence between Abboud and Roger B. Porter, Assistant to the President for Economic and Domestic Policy, concerning the Greater Houston Partnership's invitation to the latter to be the keynote speaker at the 27th Annual Houston Outlook Conference. The lists are of keynote speakers and chairman of past Outlook Conferences. Also

included in this collection are President Bush's schedules for August 7, 1990 when he met with a group of Arab-Americans leaders including Abboud.

System of Arrangement

Records that are responsive to this FOIA request were found in two collection areas—Bush Presidential Records: WHORM Subject Files and Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.
