#### **Scope and Content**

The materials in FOIA 2004-2315-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2004-2315-F contains materials from the Office of Vice President Bush pertaining to U.S.-Nigerian relations.

**(Many of the records in this request have been closed due to national security restrictions. These records will be added to the request if and when they are released.)**

The Staff and Office Files contain memoranda, trip/ briefing books, correspondence, cables, press releases, speeches, and schedules related to Vice President and Mrs. Bush's trip to Nigeria in November 1982 (which composes the bulk of the materials). Also included are materials related to meetings that were proposed or held between Vice President Bush and Nigerian delegates and government officials in Washington, D.C. in September 1981 relating to U.S.-Nigerian relations, primarily in the area of economics and trade.

### **System of Arrangement**

Records that are responsive to this FOIA request were found in one collection area—Bush Vice Presidential Records: Staff and Office Files. As policy, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing.

The following is a list of documents and folders processed in response to FOIA 2004-2315-F.
