### Inventory for FOIA Request 2005-0134-F

## Records on Iceland Bush Presidential Files

#### **Extent**

94 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, February–March 2010. Previously restricted materials are added as they are released.

#### **Scope and Content**

The materials in FOIA 2005-0134-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

The White House Office of Records Management (WHORM) Subject Files include correspondence, memoranda, notes, and a newspaper clipping discussing the appointment of the U.S. Ambassador to Iceland, the resignation of the ambassador, the visit of Icelandic President Finnbogadottir and Queen Sonja of Norway to the United States, and a memorandum of conversation (memcon) between President

Bush and Prime Minister Oddsson.

The Staff and Office Files contain memoranda, correspondence, printed material, schedules, and cables maintained by individual staff members and offices. Records of the National Security Council discuss the extension of the international fishery agreement with Iceland; meetings between President Bush and the U.S. Ambassador to Iceland, and Icelandic President Finnbogadottir and Queen Sonja of Norway; memoranda of telephone conversations between President Bush and NATO leaders before the Malta summit; the Leif Erickson Day proclamation, and foreign travel of government officials. Records from the Counsel's Office concern the background investigation of appointees to the U.S. ambassador to Iceland. Records from the Office of Public Events, the Social Office, and the First Lady's Office discuss the visit of Icelandic President Finnbogadottir and Queen Sonja of Norway, and the visit of Icelandic schoolchildren to the White House.

### **System of Arrangement**

Records that are responsive to this FOIA request were found in two collection areas: Bush Presidential Records: WHORM Subject Files and Bush Presidential Records: Staff and Office Files. As policy, WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The following is a list of folders processed in response to FOIA 2005-0134-F.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open.
