### Inventory for FOIA Request 2005-0996-F

## Bush Vice Presidential Files on Cuba

#### Extent

62 folders

#### Access

Collection is open to all researchers. Access to Bush Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### Provenance

Official records of George Bush's vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### Processed By

Staff Archivists, February – August 2010. Previously restricted materials are added as they are released.

#### Related Collections

Related material may be found in FOIA request 1998-0001-F entitled "Radio Marti," FOIA request 2005-0995-F entitled "Bush Presidential Records on Cuba," and FOIA Request 2005-0997-F entitled "Quayle Vice Presidential Records on Cuba." Related material can also be found at the Central Intelligence Agency's (CIA) FOIA website, <http://www.foia.cia.gov/>.

#### Scope and Content

The materials in FOIA 2005-0996-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

The Staff and Office Files contain correspondence, memoranda, reports, press releases, speeches, news clippings, and published material maintained by individual staff members and offices. Topics in these files include Cuban immigration issues, deportation of Mariel detainees, Radio Marti, TV Marti, human rights in Cuba, and political prisoners in Cuba. It should be noted that a many of these documents, particularly in the Office of National Security Affairs, are security classified and have been closed under the restrictions of the Freedom of Information Act.

### **System of Arrangement**

Records that are responsive to this FOIA request were found in one collection area: Bush Vice Presidential Records: Staff and Office Files. As policy, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The following is a list of folders processed in response to FOIA 2005-0996-F.
