### Inventory for FOIA Request 2005-0999-F

## Selected records on U.S.-Somalia relations

#### **Extent**

339 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records is governed by the Freedom of Information Act (FOIA) (5 USC 552 as amended) and the Presidential Records Act (PRA) (44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency, his vice presidency and Dan Quayle's vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, June 2010. Previously restricted materials are added as they are released.

#### **Scope and Content**

The materials in FOIA 2005-0999-F are responsive to the topic of the FOIA. This finding aid includes materials originally processed for FOIA 2005-1000-F "Bush Vice President Records on Somalia" and FOIA 2005-1001-F "Quayle Vice President Records on Somalia." Other related materials can be found in FOIAs 1998-0101-F and 2005-1659-F.

FOIA 2005-0999-F (including FOIA 2005-1000-F and FOIA 2005-1001-F) contains materials regarding the diplomatic relationship between the United States and Somalia. The Bush Presidential materials focus primarily on discussions of the growing humanitarian crisis and how best to address that situation

through the United Nations and an international coalition within the context of the existing internal conflict within Somalia. The Quayle Vice Presidential materials consist of only two folders from the National Security Affairs Office that contain documents from the various meetings that the Vice President's Assistant, Karl Jackson, attended on Somalia plus Quayle's meeting with Somali Prime Minister Mohamed Ali Samantar in 1989. Similarly, Bush's Vice Presidential materials consist of documents from Bush's Assistant for National Security Affairs, Donald Gregg. Gregg's folders contain correspondence from various citizens, former acquaintances, and the U.S. Ambassador to Somalia. Also included are the various meetings that were either scheduled for or held by the Vice President with U.S. or Somali government officials.

Much of the material responsive to this FOIA is contained in the files of the National Security Council (NSC) and, for the Vice President, the National Security Affairs Office. *Please note that although these files are listed, most of these documents are security classified and have been closed under the restrictions of the Freedom of Information Act.*

### **System of Arrangement**

Records that are responsive to this FOIA request were found in four collection areas—Bush Presidential Records: WHORM Subject Files, and Staff and Office Files; Bush Vice Presidential Records: Staff and Office Files; and Quayle Vice Presidential Records: Staff and Office Files. As policy, the WHORM files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open.

The following is a list of documents and folders processed in response to FOIA 2005-0999-F (including FOIA 2005-1000-F and FOIA 2005-1001-F).
