#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, August 2010. Previously restricted materials are added as they are released.

#### **Scope and Content**

The materials in FOIA 2005-1030-F are a systematic and all inclusive body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2005-2010-F contains materials from individuals and agencies, including the Department of State which is responsible for the U.S. government's interaction with foreign Heads of State. The NSC PA Limited Access Chron Files contain correspondence, memoranda, and publications maintained by individual staff members and offices within the National Security Council Office. The name

"Limited Access" indicated that these files were restricted to the top advisors and secretaries within the George H.W. Bush Administration. The correspondence found in these files is often between foreign Heads of State and President Bush. Memoranda contain staff communications to and from Brent Scowcroft, Dick Cheney, and James A. Baker, III regarding national security interests, such as nuclear policy, Heads of State correspondence, and etc. Therefore, a majority of these files remain closed under the Freedom of Information Act exemption (b)(1) National security classified information. These files are arranged chronologically and numerically.

### System of Arrangement

Records that are responsive to this FOIA request were found in one collection areas—Bush Presidential Records: Staff and Office Files. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area. These files are arranged chronologically and numerically.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open.

The following is a list of documents and folders processed in response to FOIA 2005-1030-F.
