Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Scope and Content

The materials in FOIA 2006-0033-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2006-0033-F contains materials related to Alberto R. Gonzales, the Texas lawyer who became the 80th Attorney General of the United States under President George W. Bush. The Presidential records consist of routine biographical information, newspaper articles, personnel forms, resumes, and letters of recommendation for Gonzales as he applied for a position with the administration. The Vice Presidential

records consist of letters of recommendation and supporting materials endorsing Gonzales to the White House Fellows Program and a thank you letter from Gonzales to Vice President Bush thanking him for attending a program in Houston.

System of Arrangement

Records that are responsive to this FOIA request were found in five collection areas—Bush Presidential Records: WHORM Subject Files; Bush Presidential Records: WHORM Alphabetical Files; Bush Presidential Records: Staff and Office Files; Bush Vice Presidential Records: Name Files; Bush Vice Presidential Records: Subject Files; and Bush Vice Presidential Records: Staff and Office Files. As policy, WHORM Subject and WHORM Alphabetical Files are processed at the document level; whereas, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.
