Scope and Content

The materials in FOIA 2006-0361-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2006-0361-F contains materials from Vice President Quayle's Chief of Staff's Office. These records consist of Vice President Quayle's commencement address to the Graduation and Commissioning Ceremony for the Class of 1990 at the U.S. Naval Academy in Annapolis, Maryland, on Wednesday, May

30, 1990. Vice President Quayle extends congratulations to the graduating class, highlighting the achievements of three individual graduates. A related theme is the importance of the U.S. Navy to the security of the United States. The Vice President also emphasizes the role of the Naval Academy in shaping the characters of the graduates.

System of Arrangement

Records that are responsive to this FOIA request were found in one collection area—Quayle Vice Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level; whereas, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The following is a list of documents and folders processed in response to FOIA 2006-0361-F.
