## Records on Terence Cardinal Cooke

#### **Extent**

8 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, May 2006. Previously restricted materials are added as they are released.

#### **Scope and Content**

The materials in FOIA 2006-0673-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2006-0673-F contains materials from private organizations, individuals, and the White House.

White House Office of Records Management (WHORM) Subject Categories contain correspondence, memoranda, news clippings, and brochures from the general public, the Cardinal Cooke Guild, and the

Bush administration. These records concern the request of the Cardinal Cooke Guild for a presidential visit or message at the organization's annual awards luncheon. Presidential messages were sent for 1989, 1990, 1991, and 1992.

The Name File contains a handwritten note from Vice President Bush to Cardinal Cooke following the vice president's attendance at the 1982 Alfred E. Smith Dinner.

The Vice Presidential Staff and Office Files contains a speech made by Vice President Bush at the 1982 Alfred E. Smith Dinner in which he mentions Cardinal Cooke, who had invited him to the dinner. The speech includes handwritten annotations by Vice President Bush.

### **System of Arrangement**

Records that are responsive to this FOIA request were found in three collection areas—Bush Presidential Records: WHORM Subject Files; Bush Vice Presidential Records: Name File; and Bush Vice Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level; whereas, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open.

The following is a list of documents and folders processed in response to FOIA 2006-0673-F.
