Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Processed By

Staff Archivists, January–March 2011. Previously restricted materials are added as they are released.

Related Collections

Related material may be found in following FOIA requests: 1999-0093-F entitled "National Space Policy," 1999-0465-F entitled "Indonesia," 1999-0769-F entitled "National Park Service," 2001-0145-F entitled "Colombian President Gavaria's March 1991 Visit," 2009-0116-F entitled "Skull and Bones Society," and 2010-0791-F entitled "White House Fellows Program."

Scope and Content

The materials in FOIA 2007-0348-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2007-0348-F contains materials related to White House tea receptions hosted by Barbara Bush during the administration of President George H.W. Bush.

The White House Office of Record Management (WHORM) Subject Files consist of scheduling notes between White House staff to Mrs. Bush and to other staff members, standard event sequence memos, and correspondence from organizations and individuals regarding various receptions and response letters from White House staff and Mrs. Bush.

The Bush Presidential Staff and Office Files include memoranda, correspondence, task sheet, remarks, invitations, and lists maintained by individual staff members and offices. These materials are from the Office of the First Lady and the Social Office. Memoranda include standard event sequence memos, as well as routine inter-staff memos on scheduling information. Correspondence includes letters from organizations to Mrs. Bush and response letters from White House staff concerning scheduling requests, event details, and participant information. Task sheets consist of typical Residence Event Task sheets. Remarks include drafts and suggested remarks for Mrs. Bush for organizations such as Girl Scouts of the U.S.A. and National Partnerships in Education. Invitations consist of White House formal invitations and RSVP cards to tea receptions such as White House Endowment Fund and Capital Speakers Club. Lists consist of guest lists, RSVP lists, gate lists, and calligrapher lists.

System of Arrangement

Records that are responsive to this FOIA request were found in two collection areas—Bush Presidential Records: WHORM Subject Files; Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.

The following is a list of documents and folders processed in response to FOIA 2007-0348-F.
