## **Records on NSD-39 (National Security Directive 39): Coordinating Committee for Multinational Export Control (CoCom) Policy**

#### **Extent**

1 folder

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, April 2007. Previously restricted materials are added as they are released.

#### **Related Collections**

Related material may be found in FOIA request 2007-0458-F entitled "NSR-22 (National Security Review 22): Coordinating Committee for Multinational Export Control (CoCom) Policy."

#### **Scope and Content**

The materials in FOIA 2007-0456-F are a selective, not necessarily all inclusive, body of documents

responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2007-0456-F contains one file from the National Security Council (NSC) Intelligence Files and consists of memos in relation to CoCom Policy, (NSC) routing slips which direct correspondence, and NSC distribution lists which indicate staff members receiving the documents.

### **System of Arrangement**

Records that are responsive to this FOIA request were found in one collection area—Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level; whereas, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The following lists the folder processed in response to FOIA 2007-0456-F.
