Inventory for FOIA Request 2007-0490-F

Records on Roman Popadiuk's 1989 Daily Schedule

Extent

3 folders, approximately 229 pages

Access

Collection is open to all researchers. Access to Bush Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, July 2007. Previously restricted materials are added as they are released.

Scope and Content

The materials in FOIA 2007-0490-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2007-0490-F contains Dr. Roman Popadiuk's daily appointment schedules for 1989. The schedules record Dr. Popadiuk's calendar of events and meetings for each day. For the purpose of clearing individuals for meetings at the White House, these schedules frequently contain privacy information such as birthdates, social security numbers, addresses, and telephone numbers; therefore, FOIA exemption (b)(6) redactions have been implemented.

System of Arrangement

Records that are responsive to this FOIA request were found in one collection area—Bush Presidential Records: Staff and Office Files. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The following is a list of documents and folders processed in response to FOIA 2007-0490-F.
