Scope and Content

The materials in FOIA 2008-0068-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2008-0068-F consists of correspondence tracking sheets, recommendation routing tickets, resume routing tickets, handwritten notes, letters, informational papers, and newspaper clippings. The tracking sheets serve the purpose of routing letters of correspondence; resume routing tickets, recommendation routing tickets, and newspaper clippings to appropriate White House Office staff members. Many of the letters of correspondence are from a variety of public officials on behalf of Russell G. Redenbaugh and

request the Bush Administration's consideration for Mr. Redenbaugh's appointment to United States Commission on Civil Rights or the Federal Reserve Board. Other letters are direct correspondence from Mr. Redenbaugh and are related to his request to be appointed to either the Commission on Civil Rights or the Federal Reserve Board. Informational papers and newspaper clippings are related to domestic issues, such as civil rights and the American economy. Mr. Redenbaugh was successfully appointed to the Commission on Civil Rights during the Bush Administration.

System of Arrangement

Records that are responsive to this FOIA request were found in three collection areas—Bush Presidential Records: WHORM Alphabetical Files; Bush Presidential Records: WHORM Subject Files; Bush Presidential Records: Staff and Office Files. As policy, WHORM Subject and WHORM Alphabetical Files are processed at the document level; whereas, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.
