Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Official records of George Bush's presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, December 2007. Previously restricted materials are added as they are released.

Scope and Content

The materials in FOIA 2008-0070-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2008-0070-F consists of tracking sheets, recommendation routing tickets, letters of correspondence, handwritten notes, biographical sketches, resumes, newspaper clippings, Lexus Nexus articles, and various publications. The tracking sheets and recommendation routing tickets serve the purpose of routing letters of correspondence, biographical sketches, resumes, newspaper clippings, Lexus Nexus articles and other publications to appropriate White House Office staff members. Many of the letters of

correspondence are from a variety of public officials and Interest Groups on behalf of Charles Pei Wang and request the Bush Administration's consideration for Mr. Wang's appointment to United States Commission on Civil Rights. Other letters are direct correspondence from Mr. Wang and are related to his request to be appointed to the commission. Accompanying these letters are biographical sketches, which provide sufficient background information to the White House for full consideration of Mr. Wang to the commission. Also, resumes, newspaper clippings, Lexus Nexus articles, and other publications that are related to Mr. Wang are included to provide substantive information regarding his interest, qualification, and ability to successfully serve on the commission. Mr. Wang was successfully appointed as chairman of the U.S. Commission on Civil Rights in 1990.

System of Arrangement

Records that are responsive to this FOIA request were found in two collection areas—Bush Presidential Records: WHORM Alphabetical Files; Bush Presidential Records: Staff and Office Files. As policy, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The following is a list of the folder processed in response to FOIA 2008-0070-F.
