Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, November 2010. Previously restricted materials are added as they are released.

Scope and Content

The materials in FOIA 2008-0551-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2008-0551-F contains materials from the White House Office of Legislative Affairs, National Security Council, the White House Office of Public Liason, Bush Vice Presidential Records, and Quayle Vice Presidential Records regarding United States and Armenian American relations.

The Staff and Office Files contain correspondence, memoranda, and S.J. Res. 212 written by Senator Bob Dole and others creating a National Day of Remembrance for the Armenian Genocide in 1915–1923.

The Bush Vice Presidential records contain correspondence and memoranda regarding a meeting with American Armenian Leadership on April 10, 1987 and the Armenian Assembly of America meeting on October 10, 1987.

The Quayle Vice Presidential records contain on file from the Deputy Chief of Staff—Porter, Richard, W. Files. This file contains business cards and form letters.

System of Arrangement

Records that are responsive to this FOIA request were found in three collection areas—Bush Presidential Records: Staff and Office Files; Bush Vice Presidential Records: Staff and Office Files; and Quayle Vice Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.
