Scope and Content

The materials in FOIA 2008-190-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2008-1190-F contains materials from White House Office of Records Management (WHORM) Subject files that consist of routine transmittal cover sheets, notes, and routing forms, as well as memoranda forwarding the nomination of General Herres for reappointment as Vice Chairman, Joint

Chiefs of Staff, copies of the final nomination of General Herres, official Joint Chiefs of Staff and Air Force biographies of General Herres, and official photographs of General Herres.

System of Arrangement

Records that are responsive to this FOIA request were found in one collection area—Bush Presidential Records: WHORM Subject Files. As policy, WHORM Subject Files are processed at the document level.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.
