### Inventory for FOIA Request 2008-1192-F

## Selected Records on Secretary of Defense Dick Cheney

#### Extent

4 folders

#### Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### Processed By

Staff Archivists, June 2009. Previously restricted materials are added as they are released.

#### Scope and Content

The materials in FOIA 2008-1192-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2008-1192-F contains materials from the White House Offices of Cabinet Affairs and Policy Development. The records consist of background memoranda on the swearing in of Cheney as Secretary of Defense, press releases of remarks from the swearing-in ceremony, an excerpt from Secretary Cheney's "Defense Management: Report to the President" of July 1989, correspondence from constituents regarding defense spending, and newspaper articles regarding Cheney.

### **System of Arrangement**

Records that are responsive to this FOIA request were found in one collection area—Bush Presidential Records: Staff and Office Files. As policy, Staff and Office Files are processed at the folder level; that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open.

The following is a list of documents and folders processed in response to FOIA 2008-1192-F.
