### Inventory for FOIA Request 2009-0788-F

## Selected NSC Records on Germany

#### **Extent**

1543 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, January 2011. Previously restricted materials are added as they are released.

#### **Scope and Content**

FOIA 2009-0788-F contains correspondence between White House staff, National Security Council staff, German government officials, and private German and American citizens, businessmen, and organizations. The internal correspondence relates to notification of foreign travel sent to the National Security Council by various Executive Branch agencies and administrative matters, including preparation for meetings and travel arrangements for President Bush and Brent Scowcroft. Correspondence with German government officials includes social exchanges, such as thank you letters and congratulatory messages; declassified memcons and telcons with Helmut Kohl and other German officials; and requests for meetings with President Bush, Dan Quayle, and Brent Scowcroft. Correspondence from private U.S. and German organizations and citizens include meeting requests; invitations to President Bush, Brent

Scowcroft, and Robert Gates to address German-American relations at conferences and meetings; and requests for presidential messages for German-American events.

Unclassified papers discuss the economic situation and policy options in Germany, U.S. assistance to the former Soviet Union, G-7 assistance to Central and Eastern Europe, economic reform in East Europe, and international energy issues. The press releases include fact sheets released following meetings between President Bush and Chancellor Kohl, an interview with President Gorbachev on German Unification, and presidential proclamations on instituting German-American Day and National Observance of the 50th Anniversary of World War II Week. Printed material includes published interviews with Prime Minister Thatcher and President Gorbachev, Secretary of Defense Cheney's statement before the Senate Armed Services Committee on the Department of Defense budget, and clippings on the Defense Strategy Plan.

Speeches and remarks from President Bush include toasts and welcome statements for Chancellor Kohl and President von Weizsacker, a statement following a meeting with Chancellor Kohl, and a joint statement with Chancellor Kohl regarding the creation of the Federal Chancellor Scholarship. Also included are speeches by Brent Scowcroft at conferences in Germany and an address by Chancellor Kohl on the Agenda of German Politics for the 1990s.

It should be noted that many of the documents listed here have been closed for National Security classification and/or other exemptions of the Freedom of Information Act.

### **System of Arrangement**

Records that are responsive to this FOIA request were found in three collection areas—Bush Presidential Records: WHORM Alphabetical Files; Bush Presidential Records: WHORM Subject Files; and Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area. Staff and Office Files are arranged alphabetically by office.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open.

The following is a list of folders processed in response to FOIA 2009-0788-F:
