Inventory for FOIA Request 2009-0789-F

NSC Numbered Files Relating to NATO

Extent

820 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA) (5 USC 552 as amended) and the Presidential Records Act (PRA) (44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, January 2011 – February 2011. Previously restricted materials are added as they are released.

Related Collections

Related material may be found in FOIA request 2000-0233-F entitled "NATO's role at the end of the Cold War", FOIA request 2003-0368-F entitled "Summit: NATO Heads of State at Brussels, Belgium - May 29-30, 1989", FOIA request 2002-2038-F entitled "Summit: NATO Heads of State at London, United Kingdom - July 5-6, 1990", FOIA request 2003-0370-F entitled "Summit: NATO Heads of State at London, United Kingdom - July 5-6, 1990", and FOIA request 1998-0142-F entitled "Summit: NATO Heads of State at Rome, Italy - November 7-8, 1991".

Scope and Content

The materials in FOIA 2009-0789-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2009-0789-F records consist of National Security Council (NSC) numbered files, some of which were transferred to the White House Office of Records Management (WHORM), pertaining to NATO. These records include memoranda, memcons, telcons, correspondence, schedules, reports, speeches, and printed material concerning the role of NATO, the NATO position on treaty negotiations, meetings, and travel requests and schedules to NATO summits, conferences, and other events. Notable open records include memcons and telcons (memoranda of conversations and telephone conversations, respectively) between President Bush and NATO Secretary General Manfred Woerner, and the leaders of several NATO member countries.

System of Arrangement

Records that are responsive to this FOIA request were found in two collection areas—Bush Presidential Records: WHORM Subject Files, and Bush Presidential Records: Staff and Office Files. As policy, WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

The following is a list folders processed in response to FOIA 2009-0789-F.
