#### **Access**

Collection is open to all researchers. Access to Bush Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, December 2010. Previously restricted materials are added as they are released.

#### **Related Collections**

Related material may be found in FOIA requests 2008-0029-F, 2009-1293-F

#### **Scope and Content**

The materials in FOIA 2009-1275-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

Records in FOIA 2009-1275-F come from selected Donald P. Gregg Files pertaining to certain Bush Vice

Presidential trips, primarily to Europe and including the trips to attend the funerals of Soviet leaders Yuri Andropov and Konstantine Chernenko. These records consist of memoranda, correspondence, schedules, cables, speeches, biographies, and newspaper clippings concerning travel schedules and arrangements; meetings with U.S. ambassadors, foreign officials, and foreign political leaders; routine correspondence between George Bush and President Reagan and foreign leaders; and speeches and messages Bush gave during these foreign trips.

### **System of Arrangement**

Records that are responsive to this FOIA request were found in one collection areas—Bush Vice Presidential Records: Staff and Office Files. As policy, WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The following is a list folders processed in response to FOIA 2009-1275-F.
