Scope and Content

The materials in FOIA 2009-1404-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2009-1404-F contains cover sheets, which route other correspondence, and correspondence between George Bush, White House staff, People to People International staff, and citizens. The correspondence relates to requests from People to People International for messages from President Bush for anniversaries and conferences, and for participants in other special events and programs, such as the Student Ambassador Program, as well as requests for President Bush's support for programs such as the People to People International Year of Friendship, the People to People International overseas travel program, and the People to People International Sports Committee. Also included are invitations to

President Bush to become the honorary chairman of People to People International and to accept the Eisenhower Medallion, and magazines and pamphlets published by People to People International.

System of Arrangement

Records that are responsive to this FOIA request were found four collection areas – Bush Presidential Records: WHORM Subject Files, Bush Presidential Records: Staff and Office Files, Bush Vice Presidential Records: WHORM Subject Files, and Bush Vice Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.
