Scope and Content

The materials in FOIA 2010-0601-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2010-0601-F contains materials related to the October 1989 meeting between George Bush and Yugoslav President Ante Markovic. Materials include National Security Agency cover sheets, which route correspondence and other documents; correspondence between National Security Council staff, White House staff, and the Department of State related to administrative details President Bush's meeting with

President Markovic; a proposed schedule for the meeting; and proposed language for a press release regarding the President's expressed support for the economic reforms of the Yugoslav government.

It should be noted that many of the documents listed here are security classified and have been closed under the restrictions of the Freedom of Information Act.

System of Arrangement

Records that are responsive to this FOIA request were found two collection areas – Bush Presidential Records: WHORM Subject Files, and Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.
