#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Scope and Content**

The materials in FOIA 2010-0604-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2010-0604-F contains materials related to the April 1991 meeting between George Bush, Prime Minister of Luxembourg Jacques Santer, and EC President Jacques Delors. Materials include White House and National Security Agency cover sheets, which route correspondence and other documents; a presidential message given by George Bush on Santer and Delors' departure; and correspondence and

administrative documents related to the organization of the visit, such as gifts to be presented, approval of scheduling, and seating charts and menus for the luncheon.

It should be noted that many of the documents listed here are security classified and have been closed under the restrictions of the Freedom of Information Act.

### **System of Arrangement**

Records that are responsive to this FOIA request were found two collection areas – Bush Presidential Records: WHORM Subject Files, and Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open.

The following is a list of folders processed in response to FOIA 2010-0604-F.
