Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, June 2010. Previously restricted materials are added as they are released.

#### **Scope and Content**

The materials in FOIA 2010-0605-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2010-0605-F contains materials related to the CIA National Intelligence Estimate entitled "Yugoslavia Transformed." Materials include declassified National Security Agency cover sheets which route closed correspondence related to Yugoslavia.

It should be noted that a significant majority of the documents listed here are security classified and have been closed under the restrictions of the Freedom of Information Act.

**System of Arrangement**

Records that are responsive to this FOIA request were found one collection areas – Presidential Records: Staff and Office Files. As policy, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The following is a list of folders processed in response to FOIA 2010-0605-F.
