### Inventory for FOIA Request 2011-0293-F

## Records on Peter W. Rodman Chronological Files

#### **Extent**

65 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, May 2011. Previously restricted materials are added as they are released.

#### **Scope and Content**

The materials in FOIA 2011-0293-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2011-0293-F contains materials from the National Security Council—Peter W. Rodman Files—Chronological Files.

The Peter W. Rodman Chronological files contain memoranda, letters, and speech drafts. The files were maintained by Peter W. Rodman. Peter Rodman worked as a National Security Advisor and NSC Council

from January 20, 1989 to September 1, 1990. During his duties within the administration, Peter Rodman edited and reviewed proposed speeches given by President Bush and National Security Advisor Brent Scowcroft. These files are primarily speech drafts and invitations for President Bush and National Security Council members to speak at events across the country regarding national security policy and progress.

### **System of Arrangement**

Records that are responsive to this FOIA request were found in one collection area—Bush Presidential Records: Staff and Office Files. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The following is a list of documents and folders processed in response to FOIA 2011-0293-F.
