#### **Related Collections**

Related material may be found in FOIA request 2011-0294-F entitled "Peter W. Rodman, 1989 Subject Files".

#### **Scope and Content**

The materials in FOIA 2011-0295-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2011-0294-F contains materials from the 1990 subject files of Peter W. Rodman, who served as Special Assistant to the President for National Security Affairs and National Security Council Counselor from 1987-1990.

The Staff and Office Files contain cables, memoranda, reports, and press materials related to world events such as the Germany Four-Power Talks, CFE [Conventional Forces in Europe], the rise of democracy in Eastern Europe, and drafts of the National Security Strategy Report for 1990.

**(A portion of the records in this request have been closed due to national security restrictions. These records will be added to the request if and when they are released.)**

### **System of Arrangement**

Records that are responsive to this FOIA request were found in one collection area—Bush Presidential Records: Staff and Office Files. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open.

The following is a list of documents and folders processed in response to FOIA 2011-0295-F.
