Bush Vice Presidential records in FOIA 2011-0520-F are located in the Staff and Office files of Mrs. Bush's Office and the Office of National Security Affairs. Records in Mrs. Bush's Office include schedules, cables, correspondence, memoranda, reports, forms, biographies, and remarks discussing Barbara Bush's trip to Ghana on the 20<sup>th</sup> anniversary of the Peace Corps. Records in the Office of National Security Affairs

include cables, memoranda, and correspondence concerning Mrs. Bush's trip and a telephone call between President Limann of Ghana and Vice President Bush about the installation of a ground satellite communications facility in Ghana. The Bush Vice Presidential WHORM Subject Files include two empty folders for CO055, the code for Ghana.

### **System of Arrangement**

Records that are responsive to this FOIA request were found in two collection areas—Bush Vice Presidential Records: WHORM Subject Files; and Bush Vice Presidential Records: Staff and Office Files. As policy, WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The following is a list of documents and folders processed in response to FOIA 2011-0520-F.
