Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, April 2011. Previously restricted materials are added as they are released.

Scope and Content

The materials in FOIA 2011-1028-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

The White House Office of Records Management (WHORM) Alphabetical Files and Subject File categories contain letters from Dr. Ross regarding the University of Minnesota not paying Social Security taxes on the salaries of medical residents and interns. Also included are letters to Dr. Ross from the Department of Health and Human Services regarding the status of his inquiry. Newspaper articles relate the facts of

the situation, and copies of public laws regarding Social Security taxes and Minnesota law accompany the correspondence. Routine cover sheets state the subject of the correspondence.

System of Arrangement

Records that are responsive to this FOIA request were found in two collection areas—Bush Presidential Records: WHORM Subject Files and Bush Presidential Records: WHORM Alphabetical Files. As policy, WHORM Subject and WHORM Alphabetical Files are processed at the document level.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.
