Records on George Romney

Extent

41 folders.

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, October 2011. Previously restricted materials are added as they are released.

Related Collections

Related material may be found in FOIA request 2005-0446-F entitled "Points of Light Foundation (Selected Files)".

Scope and Content

The materials in FOIA 2011-2504-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2011-2504-F contains materials from agencies and individuals related to former Michigan Governor George Romney.

The White House Office of Records Management (WHORM) Alphabetical Files contain letters between George Romney and President Bush and his staffers regarding the establishment of the Points of Light Foundation, its merger with Romney's National Volunteer Center, and the appointment of Romney to the organization's board.

The WHORM Subject File categories and Staff and Office Files contain correspondence, press releases, and personnel files related to the establishment of the Points of Light Foundation and Romney's appointment to the Commission on National and Community Service. Also included is correspondence and memoranda related to the appointment of Ronna Romney (Governor Romney's daughter-in-law) to the National Advisory Council on Adult Education.

System of Arrangement

Records that are responsive to this FOIA request were found in six collection areas—Bush Presidential Records: WHORM Alphabetical Files; Bush Presidential Records: WHORM Subject Files; Bush Presidential Records: Staff and Office Files; Bush Vice Presidential Records: Name Files; Bush Vice Presidential Records Subject Files; and Bush Vice Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.
