### Inventory for FOIA Request 2011-2572-F

## Records on David C. Mulford

#### **Extent**

6 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, March 2012. Previously restricted materials are added as they are released.

#### **System of Arrangement**

Records that are responsive to this FOIA request were found in two collection areas—Bush Presidential Records: Staff and Office Files and Quayle Vice Presidential Records: Staff and Office Files. As policy, these files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

## **Related Collections**

Related material may be found in FOIA request 2011-2571-F "Records on The Federal Reserve" and 2011-2573-F "Records on John B. Taylor."

## **Scope and Content**

The materials in FOIA 2011-2572-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2011-2572-F contains correspondence, memoranda, and publications maintained by individual White House staff members and offices concerning the career of David Mulford, the Under Secretary for the Department of the Treasury. The files of the Counsels Office contain documents involving his appointment as well as his move from Paris, France to the United States when he assumed his duties.

The Council of Economic Advisors files contain background materials on economic reform in the Soviet Union, such as reports and draft papers, gathered in preparation for meetings on options for aid to the USSR. Mulford was a participant in these meetings. There is also a copy of a newspaper article from the Washington Post.

In addition, there are schedule proposals for meetings between Vice President Quayle and Treasury officials at which Mulford was present.

The following is a list of documents and folders processed in response to FOIA 2011-2572-F.
