### Inventory for FOIA Request 2012-0081-F

## Records on Yugoslavia

#### **Extent**

610 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, July 2012. Previously restricted materials are added as they are released.

#### **Related Collections**

Related material may be found in FOIA request 1998-0102-F entitled "Bosnia and the Former Yugoslavia".

#### **Scope and Content**

The materials in FOIA 2012-0081-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2012-0081-F primarily contains materials generated by the National Security Council and the Department of State, but also includes a significant amount of correspondence.

The White House Office of Records Management (WHORM) Alphabetical Files contain letters from citizens, private interest groups, foreign leaders, and Congressional members urging U.S. intervention in the military and humanitarian crises among the former Yugoslavian republics of Bosnia-Herzegovina, Croatia, Macedonia, Montenegro, Serbia, and Slovenia.

The WHORM Subject File categories contain correspondence and transmittal memoranda similar to that in the WHORM Alphabetical Files.

The Staff and Office Files contain cables, memoranda, and reports pertaining to proposed and actual trade and diplomatic actions taken by the U.S. regarding the dissolution of Yugoslavia, the military conflicts among the republics, and humanitarian efforts initiated under the auspices of the United Nations. Also included are meeting minutes, summaries, and reports related to diplomatic efforts made as a result of the newly-independent republics seeking official international recognition. Additional materials include memoranda, schedules, and itineraries related to the trip taken by Vice President and Mrs. Bush to Eastern Europe in 1983.

### **System of Arrangement**

Records that are responsive to this FOIA request were found in six collection areas—Bush Presidential Records: WHORM Alphabetical Files; Bush Presidential Records: WHORM Subject Files; Bush Presidential Records: Staff and Office Files; Bush Vice Presidential Records: Staff and Office Files; Quayle Vice Presidential Records: Staff and Office Files; and Federal Records. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open.

The following is a list of documents and folders processed in response to FOIA 2012-0081-F.
