Inventory for FOIA Request 2012-3110-F

Records on European Bank for Reconstruction and Development

Extent

84 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, October 2012. Previously restricted materials are added as they are released.

System of Arrangement

Records that are responsive to this FOIA request were found in three collection areas—Bush Presidential Records: WHORM Alphabetical Files; Bush Presidential Records: WHORM Subject Files; and Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method

maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.

Scope and Content

The materials in FOIA 2012-3110-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2012-3110-F contains records relating to the European Bank for Reconstruction and Development or EBRD. These materials consist of the final Agreement Establishing the European Bank for Reconstruction and Development; public Code of Conduct of the European Bank; standard information forms for Presidential appointments; proposed executive orders describing the EBRD and designating EBRD a public international organization; photocopy of P.L. 101-513, Foreign Operations, Export Financing, and Related Programs Appropriations Act, 1991; correspondence from constituents regarding loans to Eastern Europe and from President of EBRD asking to meet with Scowcroft; memoranda transmitting nominations to Bank directorships and the agreement establishing the Bank; press releases announcing appointments; and resumes of appointed officials.

The following is a list of documents and folders processed in response to FOIA 2012-3110-F.
