Scope and Content

The materials in the Case Number 2012-3123-S are a systematically processed body of documents responsive to the topic. Researchers should consult the archivist about related materials.

Case Number 2012-3123-S contains materials from the files of NSC staff member Robert Morley.

The Staff and Office Files contain briefing books for Department of Defense representatives meetings with Colombian President Barco in 1988 and scope papers related to Secretary of State George Shultz's trip to Central and South America in August 1988.

System of Arrangement

Records that are responsive to this FOIA request were found in one collection area—Bush Presidential Records: Staff and Office Files. As policy, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The following is a list of documents and folders processed in response to Case Number 2012-3123-S.
