### Inventory for FOIA Request 2012-3135-S

## Richard N. Haass Files National Security Council

#### **Extent**

72 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, August 2013. Previously restricted materials are added as they are released.

#### **System of Arrangement**

Records that are responsive to this FOIA request were found in the Bush Presidential Records: Staff and Office Files. As policy, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

## Scope and Content

The materials in FOIA 2012-3135-S are records maintained by Richard Haass, Special Assistant to the President and Senior Director for Near East and South Asian Affairs.

These materials contain correspondence from private citizens and organizations to Richard Haass addressing issues such as the Middle East conflict, US-Israeli Relations, and export restrictions, as well as responses from Richard Haass. Also included are telephone message logs for Richard Haass, White House press releases regarding the Middle East, and printed material addressing the Middle East, India, the Kashmir region, and North Africa.

The following is a list of documents and folders processed in response to FOIA 2012-3135-S.
