Inventory for FOIA Request 2013-0362-S [1]

National Security Affairs Office Correspondence Files Vice President Quayle

Extent

61 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, March 2013. Previously restricted materials are added as they are released.

System of Arrangement

Records that are responsive to this FOIA request were found in the Quayle Vice Presidential Records: Staff and Office Files. As policy, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

Scope and Content

The materials in FOIA 2013-0362-S [1] are the documents maintained by the National Security Affairs Office as Correspondence Files.

These records contain thank you messages and responses from Vice President Quayle to letters sent from private citizens and organizations. This correspondence addresses domestic issues (including immigration, VA healthcare, POW/MIAs, and labor issues) and international issues (including Desert Storm, trade, human rights, foreign aid, and foreign political situations). Also included are responses to this correspondence from various agencies directly concerned with the topic of the correspondence, such as Department of State, Department of Defense, Department of Veterans Affairs, and Department of Justice.

The following is a list of documents and folders processed in response to FOIA 2013-0362-S [1].
